Admiral Daniel J. Murphy, USN (Ret.)  
Chief of Staff  
Office of the Vice President  
Washington, D.C. 20501

Dan,

Following up on your 30 January letter and our recent telephone conversations, I have asked Fred [redacted] to get in touch with you. He will get a feel for your coordinating staff and try to size what kind of contribution we could make.

Fred is a senior officer who knows his way around well and played a key role in getting Dave Gries's NIO effort underway.

Sincerely,

John N. McMahon  
Acting Director
